

the reliable partner you need

Striior is now part of Intact. Throughout the United States, Striior builds long-term partnerships grounded in transparency, integrity and our ability to provide solution-oriented coverage. We are now bringing that transparency, integrity and ability to provide solution-oriented coverage to Canada through local underwriting presence.

You can count on our expertise, superior service and creativity to meet your unique needs.

Let's build something together.

What we write :

- » Ground-up, four wall construction
- » Residential and commercial occupancies

Our capacity :

- » \$10,000,000 in wood frame capacity for projects over \$4,000,000.
- » \$10,000,000 capacity can be used as primary or quota share depending on the size of the total insured values.

Other offerings :

- » Competitive Rating and Terms & Conditions
- » 36 month terms with additional extensions offerings
- » Broad, industry-competitive forms
- » CCDC compliant base wording

Solutions backed by the financial strength of Intact Insurance Company (A.M. Best rating of A+ (Superior) and Moody's rating of A1).
